

# Mercenary, Isolation (The Loneliness In December)

So hear me now  
This weakened voicing  
Listen one last time  
It is dying  
Here at the end I am  
Watching closely  
Afraid to see you  
Afraid to be

So here it is again  
This loneliness of mine  
I can't seem to find you  
I don't believe you're there  
Is this your hand?  
Is this the turning?  
I need to say I lost you  
I need to say goodbye

And save me from this blinding night  
Of nothing  
Save me from the dying  
Save me from my god  
Choose to find salvation in the sorrow  
I hope to see you laughing  
Laughing at the end

So here it is again  
This loneliness of mine  
I can't seem to find you  
I don't believe you're there  
Is this your hand?  
Is this the turning?  
I need to say I lost you  
I need to say goodbye

I'm standing here in line  
Hoping to see  
My dreams are intertwined  
I'm here by your side  
So here it is with me  
This old friend of mine  
I'm trying to break free  
I'm here by your side

So here it is again  
This loneliness of mine  
I can't seem to find you  
I don't believe you're there  
Is this your hand?  
Is this the turning?  
I need to say I lost you  
I need to say goodbye
