

Merchandise, TELEPHONE

Give me a sign or drop me a line
Give me a call
And I'll be all yours

And I wait and I wait and I wait by the telephone
And I call and I call, but you don't
And I wait and I wait and I wait by the telephone
Waiting on your call

Don't you understand
Baby I'm your man
And you're my girl
But I'm stuck here on the wrong side of the world

And I wait and I wait and I wait by the telephone
And I call and I call, but you don't
And I wait and I wait and I wait by the telephone
Waiting on your call

Baby you're so mean
And I don't get your philosophy
But I hesitate
To make your same mistake

And I wait and I wait and I wait by the telephone
And I call and I call, but you don't
And I wait and I wait and I wait by the telephone
Waiting on your call
