

# Mercury Rev, A Squirrel and I (Holding on... And

The sound of the falling snow  
A squirrel and I are both  
At a loss...  
For words  
Staring until we suddenly burst

And somewhere a still pond bursts  
The sign of a brand new world  
Being born  
Head first  
Splashing until it suddenly bursts  
To life  
Like rain  
We watch as our faces change  
Crumbling into something more  
Beautiful  
But strange  
It's all about holding on and then letting go  
It's all about holding on on on on on on on  
And then letting go

It's all about holding on and then letting go...
