

# Mercury Rev, Faraway From Cars

There's a little part of you  
Faraway from cars  
Faraway from cash  
That's faraway from war  
Faraway from tears  
And faraway from the past  
Faraway from here

Faraway from here  
Faraway from shore  
Faraway from war  
And faraway from tears

Faraway from cash  
Faraway from cars  
Faraway from fear  
And faraway from the past  
So faraway from here
