

# Mercury Rev, People Are So Unpredictable (There's No Bliss Like Home)

Opened up by a stranger  
At an uncertain hour  
You opened yourself  
Like a curious flower  
Opens herself  
Wide to the moon

Life is uncertain and people are so...  
Unpredictable  
Unshielded by booze people are so...  
Unpredictable

One moon, and one you, one chance to kiss you  
One moon, and one you, I've one chance to kiss you  
One moon, one you... and one chance to kiss you

There's no bliss like home  
There's no bliss like home  
There's no bliss like home
