

Mercy Me, Finally Home

I'm gonna wrap my arms around my daddy's neck and tell him that I've missed him and tell him all about the man that I became and hope that it pleased him there's so much I want to say there's so much I want you to know.

[chorus]

When I finally make it home when I finally make it home.

Then I'll gaze upon the throne of the King frozen in my steps and all the questions that I swore I would ask words just won't come yet so amazed at what I've seen so much more than this old mind can hold. [back to chorus]

And the sweetest sound my ears have yet to hear voices on angels. [back to chorus]
