

# Mercyful Fate, Holy Water

(Music: Diamond/Lyrics: Diamond)

I don't want that holy water, it makes me burn  
I don't want that holy water, I guess I'll never learn  
I'd rather drink from the Devil's well  
And then I'll go to hell  
I'd rather drink from the Devil's well  
And then I will go straight to hell, Oh yeah

High on the mountain of Poltersberg there is a quiet lake  
They say it's full of demons, that Satan keeps them there

Wash away your darkest sins, if that's what you believe  
But keep in mind that if you do, who is it you deceive?

Cast a stone into this lake and soon a storm will rise  
And suck out all the demons, up into the sky

Wash away your darkest sins, if that's what you believe  
But keep in mind that if you do, who is it you deceive?

SOLO: Shermann

Oh holy water...holy water

I don't want that holy water, it makes me burn  
I don't want that holy water, I guess I'll never learn  
I'd rather drink from the Devil's well  
And then I'll go to hell  
I'd rather drink from the Devil's well  
And then I will go straight to hell, Oh yeah

SOLO: Denner

Deep in the vally of Blankenstein there is a sacred pool  
They say that you can drink this water  
It's cleansing of the soul

Wash away your darkest sins, if that's what you believe  
But keep in mind that if you do, who is it you deceive?

I don't want that holy water, no..no..no..no..no  
It makes me burn inside  
I don't want that holy water, oh..no..

SOLO: Shermann
