

# Mercyful Fate, The Lady Who Cries

Many have seen the statue that cries  
But only I have seen her at night  
Many say that it... is a miracle  
Many say that her... tears can heal you, but

When the sun goes down, and my day begins  
That's when I saw her change  
her tears did turn to blood, just like a miracle  
And through her mouth of stone, I saw the fire

From so deep inside, I heard a voice from Hell  
"I am the lady who cries, I am he who lights the night"  
"I am Lucifer"

Many say that it... is a miracle  
Many say ther her... tears can heal you, but

From so deep inside, I hear a voice from hell  
"I am the lady who cries, I am he who fights the night"

"I'm your eternal friend"

"Let my children come to me at day  
Let my children come to me and pray"

Solo: Wead

"They don't know who I am  
Or that they worship the Devil  
They don't know who I am  
They think I'm a miracle..."
