MercyMe, Bless Me Indeed

My Jesus, I need You now May Your grace look my way To hear You sing over me Make Your desires and mine the same

Bless me indeed Open wide my horizons to share Your name Bless me indeed Let Your hand keep me from harm and pain Bless me, Bless me

Lord I cling to Your heart Your love is what I need All great things come from You May Your greatness fall on me

Bless me indeed Open wide my horizons to share Your name Bless me indeed Let Your hand keep me from harm and pain Bless me, Bless me

The Lord bless and keep you May His face shine upon you And be gracious and give you peace

Bless me indeed Open wide my horizons to share Your name Bless me indeed Let Your hand keep me from harm and pain Bless me Bless me
