

# MercyMe, Caught Up In The Middle

I've found a place  
Where I can finally be a part of the story  
I've been embraced  
By the wonderful arms of glory  
There is nowhere else I'd rather be

I believe Your spirit is alive and on the move  
Oh I want to be caught up in the middle of You  
I wanna be a part of what I know you're gonna do  
Oh I wanna be caught up in the middle of You

I finally see  
The very reason for my existance  
I am complete  
When I'm standing within Your presence  
And now I know where I'm supposed to be

I believe Your spirit is alive and on the move  
Oh I want to be caught up in the middle of You  
I wanna be a part of what I know you're gonna do  
Oh I wanna be caught up in the middle of You

You have called me all along  
This is right where I belong  
Caught up in You  
Caught up in You

I believe Your spirit is alive and on the move  
Oh I want to be caught up in the middle of You  
I wanna be a part of what I know you're gonna do  
Oh I wanna be caught up in the middle of You

Caught up in the middle
