

# MercyMe, Happy Little Love Song

(Verse)

Everybody sing a song of love now

Raise your voices high to God above (repeat)

We sing holy, holy, holy are you Lord (repeat) (3rd x

(Chorus)

With our lives, oh God, we're going to seek you

With our voice, oh God, we're going to praise you

With our hearts, oh God, we're going to love you more
