

MercyMe, Hearts Sing Louder

(Verse)

May our hearts sing louder than our voices Jesus 2x's

For the only one worthy is the one who freed us 2x's

May our hearts sing louder than our voices Jesus

And let it be pleasing to you oh lord (repeat)

(Chorus)

We dance

And we praise

And we lift our hearts and say

Holy, holy, holy is the lord our God (repeat)
