

MercyMe, It's My Joy

(Verse)

It's my joy to worship You

It's my joy to speak your name

It's my joy to be in your presence

It's my joy

It's my joy

(Verse)

It's my joy to please you Lord

It's my joy to honor you

It's my joy to give you glory

It's my joy

It's my joy

(Chorus)

I will sing hallelujah to my King

And I lay my heart down at your feet

And I pray that what you hear and what you see

Brings joy to Thee

Brings joy to Thee
