MercyMe, So Long Self

Well if I come across a little bit distant It's just because I am Things just seem to feel a little bit different You understand

Believe it or not but life is not apparently About me anyways But I have met the One who really is worthy So let me say

So long self
Well it's been fun, but I have found somebody else
So long self
There's just no room for two
So you are gonna have to move
So long self
Don't take this wrong but you are wrong for me farewell
Oh well, Goodbye, don't cry
So Long Self

Stop right there because I know what your thinking But no we can't be friends And even though I know your heart is breaking This has to end

And come to think of it the blame for all of this Simply falls on me For wanting something more in life than all of this Can't you see

Bridge
Don't feel so bad (don't feel so bad)
There'll be better days (there'll be better days)
Don't go away mad (but by all means)
Just go away, go away
