

# MercyMe, You Are The Awesome God

you're my strength  
and you are my salvation  
I will put my trust in you  
my heart sings  
in you my soul rejoices  
in this song of praise to you

you are the awesome God  
you are the great I am  
the only living word  
wonderful counselor  
you are the awesome God  
you are the first and last  
the only living word  
age to age still the same  
awesome God

(Repeat first verse again)
