

# Meredith Andrews, You're Not Alone

I searched for love,  
when the night came and it closed in.  
I was alone, but you found me where I was hiding.  
And now I'll never ever be the same,  
It was the sweetest voice, that called my name...

(Chorus)

Singing,  
Your not alone for I am here  
Let Me wipe away your every fear,  
My love, I've never left your side,  
I am singing through the darkest night.  
And I'm the one who's loved you all you life,  
All your life

You cry yourself to sleep,  
Cause the hurt is real, and the pain cuts deep.  
All hope seems lost,  
With heartache your closest friend,  
and everyone else long gone  
you've had to face the music on your own,  
but there is a sweeter song, that calls you home!!!

(Chorus)

Singing,  
Your not alone for I am here!  
Let Me wipe away your every tear,  
My love, I've never left your side,  
I am singing through the darkest night.  
And I'm the one who's loved you all you life,  
All your life!

Faithful and true, forever!  
Oh, My love will carry you!

Your not alone,  
for I am here  
Let Me wipe away your every fear,  
Oh yeah!!!  
My love, I've never left your side,  
I am singing through the darkest night.  
Through darkest nigghht!!!  
And I'm the one who's loved you all you life,  
All your life
