

Meredith Brooks, Lucky Day

Na na na na na na na na na...

I'm gonna spin some lies of my own
Cause your truth has got me reelin'
You always think of things that go wrong
But it's only faith that you're stealing
I tried to slip out the back
But you showed up to give me one more chance

You're the star of the show
And all you touch turns to gold
I hear you say "It's my lucky day";
No one's taking your place
You tell me right to my face
Yeah, you say "It's my lucky day";

na na na na na na na na na....

I'm going to waste some time on my own
Cause I feel I'm suffocating
I'm getting lost on 2nd and Bind
Yeah, I feel I finally made it
I hear the screaming on the street
And you got everybody listening

You're the star of the show
And all you touch turns to gold
I hear you say "It's my lucky day";
No one's taking your place
You tell me right to my face
Yeah, you say "It's my lucky day"; (It's my lucky...)

Sometimes you just gotta let luck run out
And live without the plan
I know the world is gonna win in the end

You're the star of the show
And all you touch turns to gold
I hear you say "It's my lucky day";
Get right in my face
You put my back in my place
Don't you know
It's my lucky day
You're the star of the show
And all you touch turns to gold
I hear you say "It's my lucky day";
No one's taking your place
You tell me right to my face
Don't you know
It's my lucky day

Yeah, you know
It's my lucky day
na na na na
Don't you know
It's my lucky day

na na na na na....

Yeah, it's my lucky....

na na na na na na....
