

Merle Haggard, I Started Loving You Again

today i started lovin' you again
and i'm right back to where i've really always been
i got over you just long enough to let my heartache mend
then today i started loving you again

What a fool i was to think i could get by
with only these few memories of mine
i should have known the worst was yet to come
and the crying time for me had just begun

cause today i started loving you again
and i'm right back to where i've really always been
i got over you just long enough to let my heartache mend
then today i started loving you again
