Merle Haggard, I Started Loving You Again

today i started lovin' you again and i'm right back to where i've really always been i got over you just long enough to let my heartache mend then today i started loving you again

What a fool i was to think i could get by with only these few memories of mine i should have known the worst was yet to come and the crying time for me had just begun

cause today i started loving you again and i'm right back to where i've really always been i got over you just long enough to let my heartache mend then today i started loving you again
