

# Merle Haggard, If You Want To Be My Woman

You say that you like ridin'  
In my Cadillac  
When I try to kiss you  
You keep on pushin' me back  
You say you like to party  
and the money that I earn  
But if you don't give me a sample  
Before I sign that deed  
Don't look at me  
Like maybe you don't understand....  
If you wanna be my Woman  
Then you know you gotta let me be your man.  
Piano & Guitar solo  
You say yer from the country  
I don't believe that's true  
You try to play it smart  
And look so innocent too  
You say you need a ring  
To give the lovin' that I need  
But if you don't give me a sample  
Before I sign that deed  
Don't look at me  
Like maybe you don't understand....  
If you wanna be my Woman  
Then you know you gotta let me be your man.  
Piano solo, ending in a slide-out.
