Merle Haggard, It Meant Goodbye To Me

Hmm I made a big mistake when I introduced her to my friend And gave him a chance to dance with her As I watched them in the crowd I could hear my heart beat loud Cause it meant goodbye to me When she said hello to him Hmm She just held on to his hand When it was break time for the band And it was plain to see that I'd lost out So I slipped to wait and cry Felt so low I could die Cause it meant goodbye to me When she said hello to him Hmm Is there anywhere to go Where a broken heart won't show Everyone must know what's wrong with me They can tell bout my ways I go round lost in the days Cause it meant goodbye to me When she said hello to him Hmm hmm hmm hmm hmm
