

# Merle Haggard, It's My Lazy Day

Well I might have gone fishin' I got to thinkin' it over  
The road to the river is a mighty long way  
Well it must be the reason and rhyme or no reason  
I'm takin' it easy it's my lazy day

I never mind callin' cause I ain't comin'  
Just get you on by me and stay out of my way stay out of my way  
A little bit thinkin' drives me to drinkin'  
Hey I'm a takin' it easy it's my lazy day  
[ piano - guitar ]  
Well I might have gone fishin'...
