Merle Haggard, Jesus, Take A Hold

Like the ancient Roman Empire this world is doomed to fall And its much too big a thing for mortal man Just take a look around and see the writing on the wall Somehow weve got to find a helping hand

This world has never been in the awful shape its in And people scorn the things our leaders do Its time a prayer was spoken from the hearts of every man

Jesus take a hold and lead us through

The mighty roar of gunfire is now a local sound And our city streets are filled with angry men Laws now a mockery throughout our troubled land And destruction seems to be the current trend

This world has never been in the awful shape its in And our leaders seem in doubt what to do Its time a prayer was spoken from the hearts of every man Jesus take a hold and lead us through Jesus take a hold and lead us through
