

# Merle Haggard, My Favorite Memory

The first time we met is a favorite memory of mine  
They say time changes all it pertains to  
But your memory is stronger than time  
I guess everything does change  
Except what you choose to recall  
There's a million good daydreams to dream on  
But Baby, you are my favorite memory of all

Like the night we made love in the hallway  
Slept all night long on the floor  
Like the winter we spent on Lake Shasta alone  
Closer than ever before

I remember that London vacation  
It was you that made the whole thing a ball  
There's a million good times I could dwell on  
But Baby, you are my favorite memory of all

The first time we met is a favorite memory of mine  
They say time changes all it pertains to  
But your memory is stronger than time  
I guess everything does change  
Except what you choose to recall  
There's a million good daydreams to dream on  
But Baby, you are my favorite memory of all
