MY ROUGH AND ROWDY WAYS

(Jimmie Rodgers)

'33 Peer International, BMI

For years and years I've rambled I drank my wine and gambled
But one day I thought I would settle down
I have met a perfect lady she said she'd be my baby
We built a cottage in the old hometown
But somehow I can't give up my good old rambling ways
Lord the railroad trains are calling me away
I may be rough I may be wild I may be tough and that's just my style
I can't give up my good old rough and rowdy ways
But somehow I can't give up...
