Merle Haggard, One Sweet Hello

ONE SWEET HELLO (Merle Haggard) '71 Tree Publishing, BMI

One sweet hello and one sad goodbye
Two empty arms and these lonely nights to cry
Together is was heaven but how quickly time did fly
With one sweet hello and one sad goodbye
These precious mem'ries linger on haunting my mind since you're gone
These little things between us that really have no ties
Are all we have together and all we realize
One sweet hello...
Together is was heaven...
