

Merle Haggard, Seeing-Eye Dog

Well I'm gonna get me a seeing eye dog
To help me find my way
I'm so much in love with you
I can't even see the light of day
My mind is cloudy like a winter storm
Before the rain come pourin' down
I feel so good and I gotta get my feet
On the ground on the ground
Well I'm walkin' real tall
With my head held high in a cloud
I feel so good sometime
I wanna holler out loud
Well I'm gonna take me a comin' down pill
Every time you come around
I feel so good and I gotta get my feet
On the ground on the ground
Well I'm walkin' real tall
With my head held high in a cloud
I feel so good sometime
I wanna holler out loud
