

Merle Haggard, Stop The World And Let Me Off

Hey stop the world and let me off
I'm tired of going round and round
I've played the game of love and lost
Hey, stop the world and let me off

My dreams are shattered don't you see
Cause you no longer care for me
I miss the wonder of your kiss
Why did you leave me here like this
Hey stop the world and let me off...

My dreams are shattered can't you see
Cause you no longer care for me
I miss the wonder of your kiss
How come you left me here like this
Hey stop the world and let me off...
