THE ONLY TROUBLE WITH ME

I receive my big promotion down at the lumber yard  
And my income tax return will soon be due  
I just made my last big payment on my 68 Corver the only trouble with me is you  
I came up with a winning ticket on a ocean liner tours  
And the trip and everything was planned for two  
And I arranged for our vacation and the time I thought we'd leave  
Now the only trouble at all is you  
Yeah the only trouble with me is you and it's driving me out of my mind  
Hey I've done everything a man can do and you refuse me every time  
I gave up my bachelor quaters where the secret bet comes down  
And the vices that I'm guilty of are few  
And everyone who knows me says I'm fun to be around  
Oh the only trouble with me is you  
Yeah the only trouble with me is you...  
Yeah the only trouble with me is you
