

Merle Haggard, Today I Started Loving You Again

I feel like I've been blown apart

There are pieces here

I don't know where they go

I don't know where they go

Kiss me on my salty lips

I bet you feel a little crazy

But for me

We'll be famous on TV

Chorus

Would it be my fault if I could turn you on?

Would I be so bad if I could turn you on?

When I kiss your mouth, I wanna taste it

Turn you upside down, don't wanna waste it

I jump on you, you jump on me

You push me out and

Even though you know I love you

I'd be inclined to slap you in the mouth

When I kiss your salty lips

You will feel a little crazy

But for me

I'll be famous on TV

Chorus (x2)

Now, will it be my fault if I

Take your love and throw it wide

You might restrain me

But could you really blame me

And you will feel you're blown apart

All the pieces there

Will fit to make you whole

And I know where they go

Chorus

When I kiss your mouth, I wanna taste it

Turn you upside down, don't wanna waste it

(x2)
