WALKING THE FLOOR OVER YOU

(Ernest Tubb)

'41 Unichappell Music, BMI

You left me and you went away you said that you'd be back in just a day
That day has come and gone but you're still away from home
I'm walking the floor over you
I'm walking the floor over you I can't sleep a wink that is true
I'm hoping and I'm praying as my heart breaks right in two
Walking the floor over you
Now darling you know I love you well I love you more than I can ever tell
I thought you would love me and you always would be mine
You went away and left me here with troubles on my mind
I'm walking the floor over you...
