

# Merle Haggard, What Am I Gonna Do (With The Rest Of My Life)

I can make it for a day or two without you  
And maybe I can make it through the night  
I can smoke I can drink and probably be alright until morning  
But what am I gonna do with the rest of my life  
I've got things that I can do I've got places I can go to this evening  
I've got whiskey I can drink that'll help me not to think about you leaving  
Yes I can smoke and I can drink probably be alright till morning  
But what am I gonna do with the rest of my life  
[ guitar ]  
I've got things that I can do...  
But what am I gonna do with the rest of my life
