

# Merle Haggard, What's Wrong With Stayin' Home

The boys are wantin' me to go out drinking  
They want me to leave my Julie home  
I know Julie don't mind my drinking  
But Julie don't like to be left here at home  
So what's wrong with stayin' home with Julie  
Julie's always been good to me  
What's wrong with stayin' home with Julie  
Julie's always stayed at home with me  
I know she may be a bit old fashion  
She don't wear all those fancy clothes  
But at least they don't say bad things about her  
And I'm proud of her everywhere we go  
So what's wrong with stayin' home with Julie  
Julie's always been good to me  
What's wrong with stayin' home with Julie  
Julie's always stayed at home with me
