

Merril Bainbridge, Walk On Fire

I won't talk about tomorrow
Stay, stay until the dawn
When all who come to take your place
Just occupy an empty space
Time and time again I would not mind
Cause everyday is like a
Tide that takes me out to sea
You're the boat that keeps returning me
And so I'll walk and I'll walk yes I am walkin on fire
And I see everyday time slippin away
And so I'll walk and I'll walk I'll keep walkin forever
Wake up we've got so much to see
Leave and take this letter with you
And hold onto a line so you can
Find your way back home again
Through summer snow or pouring rain
And so I'll walk and I'll walk yes I am walkin on fire
And I see everyday time slippin away
And so I'll walk and I'll walk I'll keep walkin forever
Wake up we've got so much to see
And anytime that you desire
I'll walk on water walk on fire
I'll walk around this world entire
For you
