

# Merril Bainbridge, When I Kiss Your Mouth

I feel like I've been blown apart..  
There are pieces here I don't know where they go  
(I don't know where they go)  
Kiss me on my salty lips  
bet you feel a little crazy but for me we'll be famous on TV

Would it be my fault if I could turn you on  
Would I be so bad if I could turn you on  
When I kiss your mouth I want to taste it  
Turn you upside down don't wanna waste it

I jump on you, you jump on me  
You pushed me out and even though you know I love you  
I feel inclined to slap you in the mouth  
When I kiss your salty lips you will feel a little crazy  
but for me I'll be famous on TV

Would it be my fault if I could turn you on  
Would I be so bad if I could turn you on  
When I kiss your mouth I want to taste it  
Turn you upside down don't wanna waste it

Would it be my fault if I could turn you on  
Would I be so bad if I could turn you on  
When I kiss your mouth I want to taste it  
Turn you upside down don't wanna waste it

Now will it be my fault if I take your love and throw it  
why'd you might restrain me  
could you really blame me  
And you will feel you blown apart  
all the pieces there will fit to make you whole  
And I know where they go

Would it be my fault if I could turn you on  
Would I be so bad if I could turn you on  
When I kiss your mouth I want to taste it  
Turn you upside down don't wanna waste it

When I kiss your mouth I want to taste it  
Turn you upside down don't wanna waste it

When I kiss your mouth I want to taste it  
Turn you upside down don't wanna waste it
