

Mesajah, Beautiful Morning (feat. Blackout JA)

[Blackout JA:]

Satisfy my soul with the music i feel
Here this mine
what a beautiful and prosperous day
Let it reveal

Now this musical sound is dedicated to each and everyone
Of my brothers and sisters form all over this world
Jah light will show you what is wrong and what is right
Cause Jah Jah light is shine so bright it can be seen by the blind

What a beautiful whole morning
And I know its gonna be a good day
Jah Jah sun will take all my fears away
What a beautiful whole morning
And I hope people now understand and see
How to live in perfect peace harmony
Jah Jah light will give the sign
How to run away form lies and run away from crime
And I still belive in humankind
Now I know that today is time
Give your brother another chance
(Let him know!)
No segregation for foes and friends
Let this vibration make you smile and dance
I wanna see all the people shakin' hands

What a beautiful whole morning
And I know its gonna be a good day
Jah Jah sun will take all my fears away
What a beautiful whole morning
And I hope people now understand and see
How to live in perfect peace harmony

[Blackout JA:]

The sun is shining weather is fine
This is your world also mine
We've got to live together
No matter this weather
Jah Jah love shine
Take it pan a level unconditional love
Universal love and spiritual love
We all must live as one,
Take a stand for the love

What a beautiful whole morning
And I know its gonna be a good day
Jah Jah sun will take all my fears away
What a beautiful whole morning
And I hope people now understand and see
How to live in perfect peace harmony

[Blackout JA:]

Give thanks life every time
And make them know that ban out the war and crime
Ban out the war and crime
Watch out dreadlocks!
