Would you walk  
A righteous path  
Without the promise  
Of heaven,  
Paradise  
Streets paved in gold?

Would you slay  
Your sister,  
Your brotherman  
For another man's greed?

'Cause if you believe that your god  
Is better than another man  
How we gonna end  
All your suffering?  
'Cause if you believe that your god  
Is better than another woman  
How we gonna end  
All your suffering and strife?

(from the book of bob)  
You believe  
Great god gonna come from the sky  
Take away everything,  
And make everybody feel high  
But if you know what life is worth  
You'll look for your's here on earth  
. . . It's at hand

'Cause if you believe that your god  
Is better than another man  
How you gonna end  
All your suffering?  
'Cause if you believe that your god

Say, I believe

May I find  
Forgiveness and love  
May I find  
Forgiveness and love

I believe  
Let faith guide you  
Forgiveness and love  
'Cause I believe that  
Let light guide you

Forgiveness and love  
Forgiveness and love  
Forgiveness and love  
Forgiveness and love.
