## Meshell Ndegeocello, Grace

Can't say I have ever been faithful Except to God Never felt I could call anywhere home Till I fell asleep here in your arms

I never thought I'd fall in love

Your love is my only saving grace You caress my heart Kiss my face Your love is my only saving grace

Sometimes God calls out to me to come home 'Cause I feel so alone Then I taste your kiss Your touch your sweet love

I never thought I'd fall in love

Your love is my only saving grace You caress my heart Kiss my face Your love is my only saving grace

I never thought I'd fall in love I never thought I'd fall in love with you

Your love is my only saving grace You caress my heart Kiss my face Your love is my only saving grace your love
