

Meshell Ndegeocello, If That's Your Boyfriend

You say that's your boyfriend
You say I'm outta line
That's funny, he said I could call him up anytime
You can call me wrong and say that I ain't right
But if that's your boyfriend
He wasn't last night
I'm the kinda woman I'll do almost anything
To get what I want I might play any little game
Call me what you like but you know it's true
You're just jealous because he wasn't with you
Don't mean no harm
I just like what I see and it ain't my fault if he wants..
ME
Got what I wanted and the feelin was right
If that's your boyfriend he wasn't last night

Boyfriend, boyfriend, yes I had your boyfriend
If that's your boyfriend x3
He wasn't last night
(Repeat)

Now late at night he calls me on my telephone
That's why when you call him all you get is a busy busy tone
Grew upset cuz you one stuck up bitch
Maybe he needed a change a switch
Who am I not to oblige
Especially if the man is fly
So call me what you like
Go ahead call me what you like
While I boot slam your boyfriend tonight

Boyfriend, boyfriend, yes I had your boyfriend
If that's your boyfriend x3
He wasn't last night
(Repeatx2)

Ooh ooh baby baby
Good to the last chip at the bottom of the bag
Ooh baby baby
Make you wanna do things that you never have
Ooh baby baby
Mad sex and when we're through
I really have no problem actin like I don't know you

You can say I'm wrong
You think that's kinda freaky
I can't be trusted
I'm kinda sneaky
But no get your story right
He knocked on my door
So what should I say no for?
So If that's your boyfriend x3
He wasn't last night
If that's your boyfriend x3
He wasn't last night

Boyfriend, boyfriend, yes I had your boyfriend
If that's your boyfriend x3
He wasn't last night
