

Mest, Misunderstood

[VERSE:]

I know you're not exactly crazy
About the way I have been lately
And I don't know when I should say
All the things I want to say
Cause I know that it would hurt you
And I don't want that
Cause after all the things we've been through
You deserve much more than that

[CHORUS:]

Completely, overwhelming
Stories that you've heard
When people tell you that
Don't trust him, he's pretending
That he cares for you
Even though there's nothing left to prove

[VERSE:]

I can see just what is coming
Another argument worth nothing
And believe me when I tell you
Another fight I won't go through
Cause I know that it would hurt you
And I don't want that
Cause after all the pain you've been through
You deserve much more than that

[CHORUS:]

Completely, overwhelming
Stories that you've heard
When people tell you that
Don't trust him, he's pretending
That he cares for you
Even though there's nothing left to prove

[BRIDGE:]

I won't hear anything that you say to me
I won't hear anything that you say to me
(That you say)

[CHORUS:]

Completely, overwhelming
Stories that you've heard
When people tell you that
Don't trust him, he's just pretending
That he cares for you
When if I did those stories would be true
