

Mest, On My Mind

my mind thinks in a weird way
changing a thought from day to day
one day i thought i'd like to
and the next day i just didn't know
the problem is i'm gonna see you
every day and at every show

but then i see this other girl
my mind went into another world
i think i'm too strange for her
that's why i'm macking you

too many thoughts in my mind
i think i would rather be blind
cuz then i wouldn't dream about you
and you wouldn't be on my mind
you're always on my mind

i don't know how to let you know
how i feel about you
i guess i'll just write another song
cuz that's all i know how to do

and when the tale of crushing's done
and then just write another one
but i don't think this time my arm
is going to run write
but then i see this other girl
my mind went into another world
i think i'm too strange for her
that's why i'm macking you

too many thoughts in my mind
i think that i would rather be blind
cuz then i wouldn't dream about you
and you wouldn't be on my mind
you're always on my mind

i hope you will understand
i hope you can understand
when you are not
you know how to relate
and i hope you will understand

i hope you don't laugh at me
and take this as a joke
i hope you will understand
cuz believe me this time
these feelings are for real

too many thoughts in my mind
i think i would rather be blind
cuz then i wouldn't dream about you
and you wouldn't be on my mind
you're always on my mind
get up

too many thoughts in my mind
i think i would rather be blind
cuz then i wouldn't dream about you
and you wouldn't be on my mind
you're always on my mind

youll always be on my mind
