

# Metallica, Bad Seed

(Hetfield / Ulrich / Hammett)

Come clean, fess up  
Tell all, spill gut  
Off the veil, stand revealed  
Show the cards, bring it on, break the seal

Ladies and gentlemen,  
step right up  
And see the man who told  
the truth

Swing the noose again  
Pierce the apple skin  
You bit more than you need  
Now you're choking on  
the bad seed  
On the bad seed  
Choking

Let on, load off  
Confess, cast off  
At the mercy, the cat is out  
Drop the disguise, spit it up,  
spit it out

And now, what you've all  
been waiting for  
I give you He Who Suffers  
the Truth

Swing the noose again  
Pierce the apple skin  
You bit more than you need  
Now you're choking on the  
bad seed  
Choking on the bad seed

Off the veil, stand revealed  
Bring it on, break the seal  
At the mercy, cat is out  
Spit it up, spit it out  
Spit it up, spit it out  
Spit it out now

At the mercy

Swing the noose again  
Pierce the apple skin  
You bit more than you need  
Choking on the seed

Swing the noose again  
Pierce the apple skin  
You bit more than you need  
You're choking on the bad seed

Off the veil, stand revealed  
Bring it on, break the seal  
At the mercy, cat is out  
Spit it up, spit it out  
Spit it up, spit it out  
Spit it out now

Choking on the bad seed
