

# Metallica, Cyanide

Sleep and dream of this  
Death angel's kiss  
Brings final bliss  
Completely

Empty they say  
Death, won't you let me stay?  
Empty they say  
Death, hear me call your name

Call your name... Suicide  
I've already died  
You're just the funeral  
I've been waiting for... Cyanide  
Living dead inside  
Break this empty shell forever more

Wait, Wait patiently  
Your death black wings  
Unfolding sleep  
Spreading o'er me!

Empty they say  
Death, won't you let me stay?  
Empty they say  
Death, hear me call your name

Call your name... Suicide  
I've already died  
You're just the funeral  
I've been waiting for... Cyanide  
Living dead inside  
Break this empty shell forever more

Say, is that rain, or are they tears  
That has stained your concrete face for years?  
The crying, weeping, shedding strife  
Year after year, life after life

An air of freshly broken ground  
The concrete angel lit right down  
Upon the grave which swallows fast  
It's peace at last, peace at last

Empty they say  
Death, won't you let me stay?  
Empty they say  
Death, hear me call your name

Call your name... Suicide  
I've already died  
You're just the funeral  
I've been waiting for... Cyanide  
Living dead inside  
Break this empty shell forever more

Forever more  
Forever more  
It's just the funeral I've been waiting for
