

Metallica, Dream No More

He sleeps under black seas waiting
Lies dreaming in death
He sleeps under cosmos shaking
Stars granting his breath

He wakes as the world dies screaming
All horrors arrive
He wakes giving earth its bleeding
Pure madness alive

And he haunts you
And he binds your soul
And he loathes you
And reclaims it all

You turn to stone
Can't look away
You turn to stone
"Madness" - they say

Cthulhu awaken

He sways in abyss returning
In healing black skies
He shakes with a torture burning
All lost in his eyes

And he haunts you
And he binds your soul
And he loathes you
And reclaims it all

You turn to stone
Can't look away
You turn to stone
"Madness" - they say

Cthulhu awaken

You turn to stone
Can't look away
You turn to stone
"Madness" - they say

Sanity taken
Seething damnation
Cthulhu awaken
Wake!
Winged salvation
Death by creation
Cthulhu awaken
Wake!
Dreaming no more
Cthulhu awaken
Wake!
Dreaming no more
Cthulhu awaken
Wake!
Dreaming no more
