(Hetfield / Ulrich)

And it feels right this time
On his crash course with the big time
Pay no mind to the distant thunder
New day fills his head with wonder, boy

Says it feels right this time
Turned it 'round and found the right line
"Good day to be alive, sir
Good day to be alive," he says

Then it comes to be that the soothing light at the end of your tunnel
Was just a freight train coming your way
Then it comes to be that the soothing light at the end of your tunnel
Was just a freight train coming your way

Don't it feel right like this?
All the pieces fall to his wish
"Sucker for that quick reward, boy
Sucker for that quick reward," they say

Then it comes to be that the soothing light at the end of your tunnel
Was just a freight train coming your way
Then it comes to be that the soothing light at the end of your tunnel
Was just a freight train coming your way
It's coming your way

Then it comes to be that the soothing light at the end of your tunnel
Was just a freight train coming your way

Then it comes to be
Then it comes to be
