

Metallica, Purify

Tear it down
Strip the layers off
My turpentine
Old pain, old looks
Cover up the past
White heat, white light
Super white bones
Bones of you and I

Pure if I... Can't you help me?
Pure if I... Won't you help me?
Purify you and I
Purify you and I
Pure if I... Can't you help me?
Pure if I... Won't you help me?
You and I purify

Truth and dare
Peeling back the skin
Acid wash
Ghost white
Ultra clean
Wanna be skeleton
Clear eyes
Diamond eyes
Strip the past of mine
