

# Metallica, Ronnie Rising Medley

Tarot woman, I don't know, I don't know, I don't know

She can take you there  
The entrance to the fair, my, my, my  
Ride the carousel  
Cast a magic spell, you can fly, fly, fly

Beware of a place  
A smile on a bright shiny face  
I'll never return, how do you know

Tarot woman, I don't know, I don't know, I don't know

High noon  
Oh I'd sell my soul for water  
Nine years' worth  
Of breakin' my back  
There's no sun in the shadow of the wizard  
See how he glides  
Why he's lighter than air  
Oh I see his face

Where is your star  
Is it far, is it far, is it far  
When do we leave  
I believe, I believe, yes, I believe

In the heat and the rain  
With whips and chains  
Just to see him fly  
So many die

We built a tower of stone  
With our flesh and bone  
Just to see him fly  
Don't know why

Now where do we go...

Danger, danger the Queen's about to kill  
There's a stranger, stranger and life about to spill  
Oh no move away from harm  
I need a spell and a charm  
Fly like the wind  
I'm no pawn, so be gone, speed on and on

Kill the king  
Tear him down  
Kill the king, yeah  
Strike him down

Power, power happens every day  
Power, devour all along the way  
Oh no, move away from harm  
I need a spell and a charm  
And fly like the wind  
I'm no pawn, so be gone, speed on and on

Kill the king  
Strike him down

Treason, treason, the spectre looms again  
Treason, reason, the realm is safe and then  
Oh no, move away from harm

I need a spell and a charm  
Fly like the rainbow  
I'm no pawn, so be gone, speed on and on

Kill the king, yeah  
Tear him down  
Kill the king, yeah  
Got to take his crown
