

# Metallica, Stone Dead Forever

(Kilmister / Clarke / Taylor)

[Originally recorded by Motorhead]

Get on!

You think you see me  
In the glass  
You think you hear me  
Better listen fast  
I think I see you  
Gone to seed  
Think your reason  
Is your guilt and greed

You're out there on your own  
Your face turned to stone  
What ever happened to your life?  
Stone dead forever  
All right

You're a financial wizard  
Yeah a top tycoon  
You're Sweet long lizard  
With a silver spoon  
You know you've never had it  
Quite so good  
And you didn't know  
That you even could

Your time has come to own  
Your touch turned to gold  
What ever happened to your life?  
Stone dead forever  
All right

Financial wizard  
A top tycoon  
Sweet lounge lizard  
With a silver spoon  
You've never had it  
Quite so good  
And you didn't know  
That you even could

But your time has turned to gold  
Your touch is turned to gold  
What ever happened to your life?  
Stone dead forever

It's been a long time  
It's been a long long wait  
And you caught your fingers  
In the pearly gates  
You better leave your number  
And we'll call you  
You know your problem  
Ain't exactly new

Your time has come today  
Your face has turned to hey  
What ever happened to your life?  
Stone dead forever  
That's right

Yo

Ah
