Verse One:

Check it out  
Shorty I'm there for you anytime you need me  
For real girl, it's me in your world, believe me  
Nuttin make a man feel better than a woman  
Queen with a crown that be down for whatever  
There are few things that's forever, my lady  
We can make war or make babies  
Back when I was nuttin  
You made a brother feel like he was something  
That's why I'm with you to this day boo no frontin  
Even when the skies were gray  
You would rub me on my back and say "Baby it'll be okay"  
Now that's real to a brother like me baby  
Never ever give my pussy away and keep it tight aight  
And I'ma walk these dogs so we can live  
In a fat ass crib with thousands of kids  
Word life you don't need a ring to be my wife  
Just be there for me I'm a make sure we  
Be livin in the fucking lap of luxury  
I'm realizing that cha didn't have to fuck with me  
But cha did now I'm going all out kid  
And I got mad love to give, you my nigga

Chorus 2X

Verse Two:

I got a love jonz for your body and your skin tone  
Five minutes alone I'm already on the bone  
Plus I love the fact you got a mind of your own  
No need to shop around you got the good shit at home  
Even if I'm locked up North you in the world  
Rockin three-fourths of cloth never showin your stuff off, boo  
It be true me for you that's how it is  
I can be your Noah you can be my Wiz  
Then I can be your Sun, you can be my Earth  
Resurrect the God through birth  
Best believe
