

# Method Man, Even If

Yo, c'mon!  
Even if I died a thousand deaths  
When I resurrect I'll still be Meth  
The jams will still be def  
I'm here, me and this mic-phone, we here  
And ain't tryin' to hear nothin' cuz we had it up to here  
(What?)  
Lyrics have no dress code (yeah)  
From KRS to Depeche Mode  
Hit them so cool you cats cold  
Had to jump off, it's about to jump off  
My niggaz speak with they hands or the gun talk  
Yo RZA, we got the Clan in the front and police at the door  
Every exit is laced with C-4 about to blow  
Life trial I'm passed out  
MC's is like bitches in thongs - they assed out  
But me, the M-E-T-H- the O-D  
Just too real, I can't be touched and can't feel  
The monotony in rap, take a picture of my nut sac  
Carbon copy that and send your crew a fax  
Motherfucker

[1 - New and improved Wu-Tang style]  
Turn it up now, y'all done fucked up now  
Spit flames (Five mics)  
Peep game (On site)  
Bring the pain (All night)  
Off the chain (Damn right)

[2 - Scratching by RZA]  
&quot;It's the Method Man for short Mister Meth&quot;  
&quot;Tical-lion&quot;  
&quot;Hmmm&quot;

Yo, yo, yo, yo, yo, yo, c'mon!  
Even if I died a thousand deaths  
When I resurrect, through my first born, my name lives on  
My words is like a third degree to young emcees  
Buzzworthy on your MTV, the Killa Bees  
John Jacob, straight up, break up, schemes and plots  
Ace up my sleeve, bake up pies in pots  
So this is what it's come to (Huh?)  
Lickin' shots at them kids that used to punk you (Huh?)  
Repetitious rap shit, don't get no air play ya mouth whip  
And niggaz can't smoke wit' dry lips so chapped  
Bite my shit, I'm like Kojack to get my flow back  
In fo' flat, I track you down like a low jack  
Spy verse spy, eye for an eye can I penalize the uncivilized  
Make 'em civilized  
You know right from wrong, so know I'm the bomb  
Who don't beef for beats, see the tracks on my arm  
Motherfucker
